RESOLUTION
LESTER B. HARVEY.

Born June 29, 1886.
Died Apr 4, 1950.

It is hard indeed to find words to express the feeling of shock and sorrow which came to our community, our church and indeed many friends of many counties adjoining Appomattox when it became known that "Lester," as he was lovingly known, had died suddenly during the night time.

Early in life he suffered an affliction which made it necessary for him to use a wheel chair, but he always had a dependable colored man to take him about, and at home, at church and in his car he was always on the go and seldom missed a church service.

He was known and loved in nearly every home in four or five counties and as a salesman of insurance and many household appliances, despite his physical handicap, he was a successful business man.

He had been a school teacher in early life, later a bank director and he filled many other useful positions, but perhaps as a Christian citizen he achieved most. He gave his life to God in early youth and joined the church of his home community, "Red Oak." He was a member there until about the year 1925 when he came to live at Appomattox with a married sister, Mrs. J. E. Martin; they at the same time joined Liberty Baptist Church, being the first members received under the pastorate of the Rev. W. M. Thompson. Very soon thereafter he was elected a deacon of his church which office he held at the time of his death.

He was Sunday School teacher of intermediate boys for many years and rarely ever missed his class. He was a liberal giver to his church and loved young people, often joining with others to make it possible for boys and girls to go to college.

He made this his favorite motto and lived it. "He alone is great who by a life heroic conquers fate."

The world needs men like this but God in His wisdom has called Lester home. His influence will live on. We tender our deepest sympathy to his wife, Mrs. Helene Welch Harvey, his brothers, his sister and other loved ones and friends.

Copies to be printed in The Times-Virginian, The Religious Herald, sent to his wife and recorded in the minutes of Liberty Church.

Uncle Sam Says

Many of you are sleeping soundly these nights, secure in the knowledge that your home is paid for, that there's an education fund ready to draw upon for that son or daughter ready for college. It doesn't take a financial wizard to figure out that the regular purchase of U. S. Savings Bonds is a safe, profitable and sure way of saving, one of the best ever invented. Today is the time to join the Payroll Savings Plan at your office or the Bond-A-Month Plan at your bank. That spells financial security.
